Announcement

Diversco Supply, a family owned and operated company founded in 1986, is proud to announce that Peter Thorpe, formerly with Worthington Cylinders, has joined the Diversco team. Peter has assumed the role of building the Diversco propane business in Western Canada and the high pressure gas business nationally. Peter brings with him over 20 years of experience in the propane and high pressure gas industry.

Mr. Peter Thorpe

Western Regional Manager

Diversco Supply Inc.

#5, 4451 61st Ave. S.E.

Calgary, Alberta T2C 1Z6

T. 403-236-4494

F. 403-236-5561

Direct Line: 403-279-5657

Peter's efforts as past Chair of the Propane Gas Association of Canada have demonstrated his passion for the LP industry and a personal investment of volunteer participation in our industry.

Having built the company on a simple and direct approach to business; **“take care of the customer”**, Diversco has become a leading Canadian national wholesaler of natural gas and propane equipment and supplies through our six warehouses strategically located in **Cambridge, ON, Montreal, QC, Calgary, AB, Moncton, NB, Winnipeg, MB and Saskatoon, SK**. From these locations Diversco operates its own fleet of tractor delivery vehicles providing enhanced customer service for clients. Diversco Supply, Inc. is actively involved with the Propane Gas Association of Canada (PGAC), Ontario Propane Gas Association (OPA) and Association Quebecoise du Propane (AQP). This industry involvement, the broad offering of quality products as well as the commitment to excellence, education and safety are key ingredients that make Diversco a successful organization and a valuable member of the industry.
